#### Remarks

Talented custom builders are nearing completion on this gorgeous NEW Colonial Dream Home located on a quiet side street. The lucky buyers will rave about the top quality finishes and clever design details - Pella windows, Thermador appliances, luxury millwork and crown molding, radiant heated floors in the second level baths, and a stunning 3 season Gazebo with deck. There are 12' ceilings in the lower level family room that is finished with a wet bar, french doors to a paved patio, a full bath and an additional private office/exercise space. A 5 minute walk to Fiske elementary. Near all major commuting routes, Centennial Park and shops in both Wellesley and Needham.
